

INVEST LIKE A PRO, WITH THE PROS!

6% per cent of the world wants to get high.
100% of the world wants to get healthy.

That's the slogan of [StillCanna](#), which goes public today on the Canadian Securities Exchange under the ticker symbol **STIL**.

The company specializes in *"quality, industry leading CBD oil for international medicinal use."*

StillCanna completed a reverse takeover (RTO) through ***EVI Global Group Developments (CSE:EVI)***.

I own a few shares, Capital Ideas contributor

Fabrice Taylor owns more than that, and he'll have a report on StillCanna next week.

We're hoping to have the CEO into our studio soon for an interview.
